# ***WHAT IS THE EYE?***

Every two years, the EYE (European Youth Event) brings together **thousands of young people** from across the European Union and beyond, right at the heart of **European democracy**.

The EYE is a **unique opportunity** for 16- to 30 year-olds to **inspire and get inspired**, to **debate** directly with Members of the European Parliament and other European decision-makers, and to **exchange views** with experts, activists and content creators.

# EYE2025

EYE2025, the sixth edition of this event, will take place on **13 and 14 June 2025**, offering an **interactive and dynamic mix of activities**, debates, workshops, visits, artistic performances and much more – both inside the **European Parliament in Strasbourg** and around the **EYE Village**.

# PROGRAMME

During the event, participants take part in activities **co-created** with institutions, international organisations, civil society and youth organisations, and participants themselves, offering space for **discussions** and **networking**.

The programme will focus on the European Parliament's legislative priorities, organised around three tracks: **engage**, **empower** and **connect**.

# EYE VILLAGE

The EYE Village programme will be coordinated by the European Youth Forum, as a space where **creativity meets activism**, with activities co-created by youth and civil society organisations, ensuring representation and a plurality of perspectives.
