

# Project Everbond

Empowering Seniors, Connecting Communities

ever **Bond** is more than just a product; it's a platform designed to bring together technology, healthcare, and human connection to create a safer, healthier, and more connected experience for the elderly.

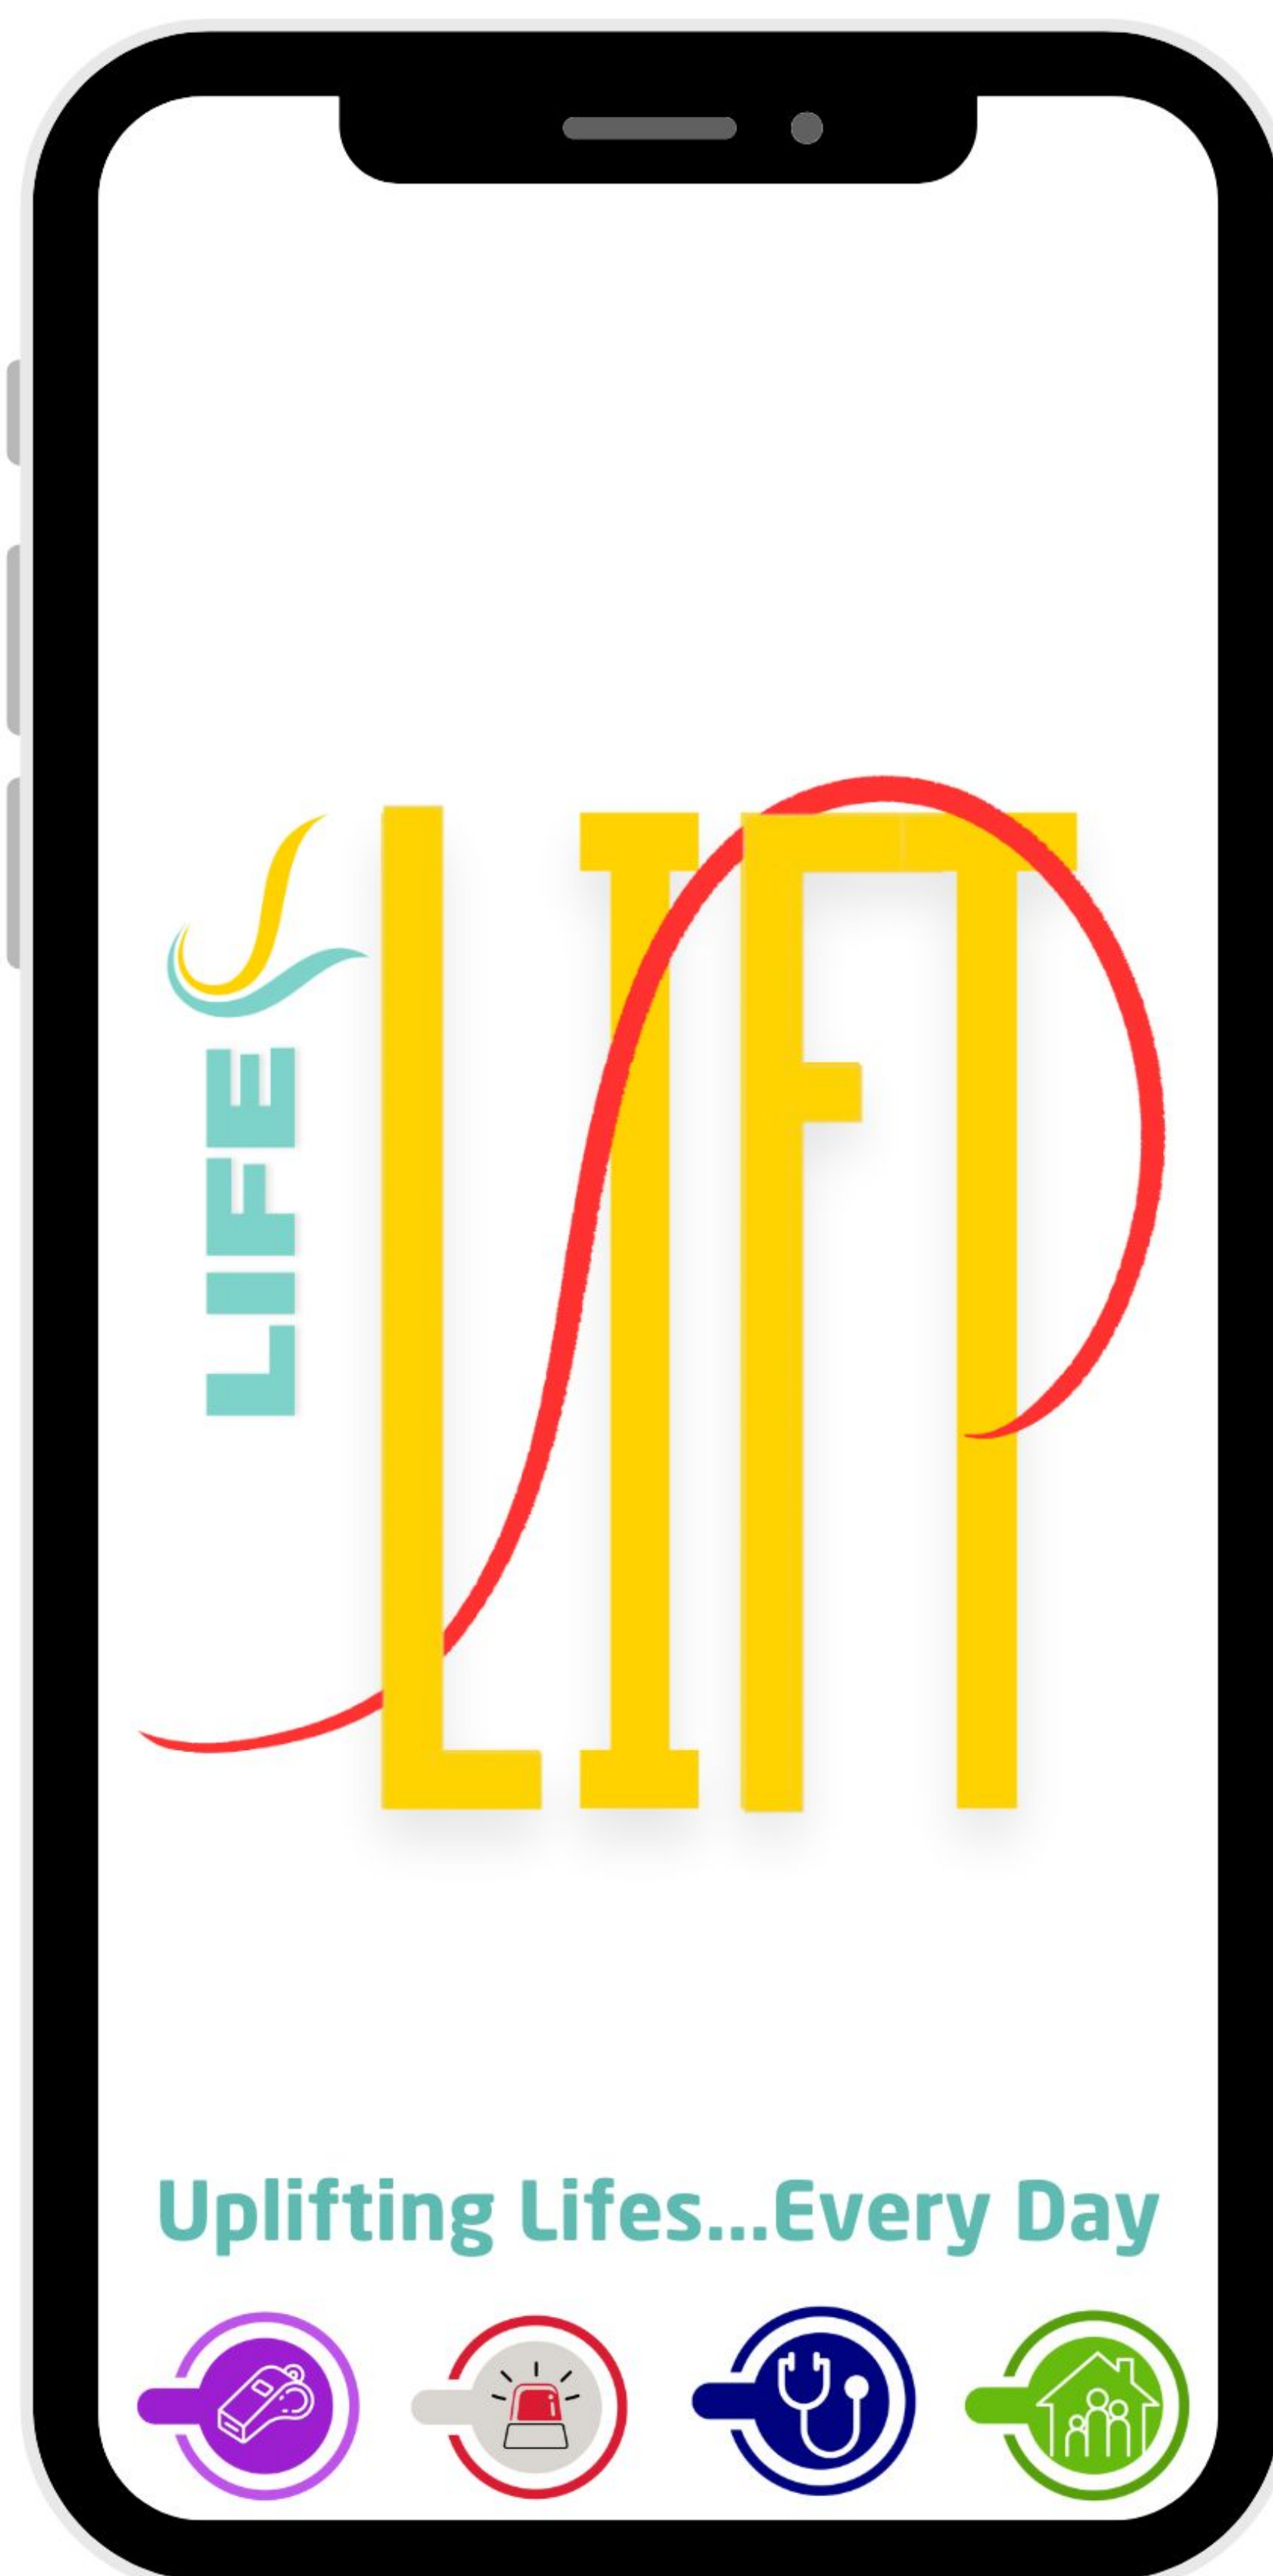

<https://veramendes5.wixstudio.com/everbond>

**Life Lift** is a community-based app, empowering elderly individuals, caregivers, healthcare professionals and family. Health is monitored in a everyday life basis, to improve the quality of life of the elderly.

Loneliness  
ages 50-64  
woman 20.4%  
man 7.3%

ages 50-64  
9.9%  
ages 85+  
26.8%

Exercising and Health  
monitoring remains  
inaccessible  
1 in 3 seniors  
suffer injuries

Establishing a daily routine according to the capacity and availability of the elderly person is essential. Quality of life, emotional and mental well-being must be preserved.

**“A Lifestyle of Connectivity and Care.  
The Future start here...EverBond”**
